Scenic Lounge Bar

How do Scenic Eclipse's dining experiences reflect its destinations?

Elements, Scenic Eclipse's flagship restaurant, features Italian, steak and seafood from an a la carte menu. Dishes are prepared using locally sourced ingredients, giving each meal a regional flavour. At Lumière, our contemporary French restaurant and Champagne bar, diners can pair elegant, modern cuisine with a carefully curated range of exquisite Champagne from all over Europe.

How can guests make the most of their culinary journey?

They can take part in mixology cocktail programs and masterclasses at the Scenic Lounge Bar, while the whiskey bar is a strong draw for connoisseurs and aficionados. And when dining, I always say: try something you would never normally order. It's very easy to elevate a lobster. Instead, we want to surprise with humble ingredients. When guests say 'I've never had food like this', then I know we're doing the right thing.

Did you know?

Scenic Eclipse is the only Discovery Yacht growing its own micro-herbs, supporting our sustainability efforts. Using a hydroponic system with recycled water and light, we yield around 60kg annually, avoiding waste from ordering produce.

Packing Essentials for your Cruise

One of the best things about taking a cruise is that you can visit multiple destinations, but only need to unpack once. Here are some essentials to include when sailing in Europe and the Mediterranean:

- Lightweight waterproof jacket or raincoat, ideal for cool mornings and evenings.
- A small size, secure day bag.

- Workout gear for sessions in the PURE: Yoga & Pilates Studio or at the on board state-of-the-art gym.
- Swimwear for the on board Vitality Pools and enjoying the water activities and beach visits.

- High SPF-factor 30+ sunscreen and a hat – preferably one that's foldable.
- Scarves or shawls to layer up if it gets colder at night.

Complimentary Scenic water bottle

Reflecting our commitment to a sustainable future, you'll receive an insulated water bottle to refill at our on board filtered water stations during your journey.

What to wear on board?

A good guideline is to keep it casual and comfortable during the day, and smart casual – or even a little dressed up if you wish – in the evening. Male guests usually pack a collared shirt, while women wear smart attire, for dining at specialty restaurants or watching a performance in the theatre.

Extra tips when exploring...

- o Comfortable, light walking shoes or sandals with a good grip are essential for nature walks or cobblestone paths. Consider also packing water shoes for activities such as kayaking or walking on rocky shores.
- o Along with swimsuits, take UV tops to enhance your protection onshore.

Each Scenic Eclipse suite is fully stocked with luxurious ESPA products and a Dyson hairdryer.
